

Restricted Substance Policy

CERTIFICATION OF COMPLIANCE WITH RESPECT TO LEAD CONTENT RESTRICTIONS AND OTHER RESTRICTED SUBSTANCES AS NECESSARY

By my signature below, as authorized representative of my company, I hereby certify that my company will comply with all requirements regarding restricted substance used in the manufacture of AM Retail Group, Inc. (AMRG) products, including requirements on Lead, Nickel, Cadmium, and Phthalates. My company will meet the requirements of U.S. Consumer Product Safety Commission ("CPSC") regulation 16 C.F.R.1303 which regulates lead content in paint or surface coatings as well as AMRG imposed limits for lead content in its products which may be stricter than the CPSC standards. I also agree to abide by future federal and state laws which may be stricter than the current CPSC guidelines. The CPSC or stricter standards then in force are applicable to all goods supplied to AMRG.

My company also agrees to hold AM Retail Group, Inc. harmless for any claim, including but not limited to any assessed penalty for damages and related expenses (legal fees, communications, etc.) in the event of your company's failure to comply or to ensure compliance with any of the above requirements.
